

## Start Tomorrow and Keep It Up Every Morning

Get in the habit of drinking a glass of hot water before breakfast.

We're not here long, so let's make our stay agreeable. Let us live well, eat well, digest well, work well, sleep well, and look well, what a glorious condition to attain, and yet, how very easy it is if one will only adopt the morning inside bath.

Folk who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting new food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of inside-bathing before breakfast.

New Britain.—The tree committee held a meeting last night and arranged for a campaign of setting out 1,000 trees on Arbor day.

## IT'S YOUR LIVER! YOU'RE BILIOUS, HEADACHY, SICK!

DON'T STAY CONSTIPATED WITH  
BREATH BAD, STOMACH  
SOUR OR A COLD.

ENJOY LIFE! LIVE UP YOUR LIVER  
AND BOWELS TONIGHT  
AND FEEL FINE.

Tonight sure! Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cathartic Candy from the drug store now? Eat one or two tonight and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. You will wake up feeling fit and fine. Cathartic Candy never gripe or bother you all the next day like calomel, salts and pills. They are gentle, but thoroughly cleanse the system, give cross, sick, bilious or feverish children a whole Cathartic Candy. They are harmless and children love them.

### LEGAL NOTICES

**ESTATE OF CHARLES H. MAINE.**  
late of North Stonington, in the Probate District of North Stonington, deceased.  
The Administrator having exhibited his administration account with said estate to the Court of Probate for said District for allowance, it is

Colchester, Conn., April 10, 1916.

## FIVE COMPENSATION AGREEMENTS

Western Union Telegraph Co. Among the Employers—Papers  
Were Filed Monday in Superior Court Office.

Five compensation agreements between employers and injured employees have been signed by Compensation Commissioner James J. Donohue and were filed on Monday with Clerk George E. Parsons of the superior court. The five agreements were as follows:  
Norwich Belt Mfg. Co., employer, Norwich, 81 Baltic street, Norwich. On February 17, 1916, he bruised and sprained one of his shoulders. Compensation was awarded at \$5.61 weekly to begin February 23rd.  
Elmer R. Elerson, 249 West Main street, Norwich, employer, and Henry Duerr, employee, Yantic, the employee, suffered blood poisoning in one of his thumbs on March 3rd. Compensation was awarded at \$5 weekly to begin March 16th.  
Thames Specialty Co., employer, of Montville, and Peter Hennigan, em-

ployee, Montville. On February 16th, the employee strained his back. Compensation was awarded at \$7.50 per week to begin February 27.  
The New London Ship and Engine Co., Groton, employers, and Mrs. Harriet Grumley, guardian of H. Grumley, employee. The employee suffered a badly lacerated right leg on March 13. Compensation was awarded at \$5 weekly to begin March 31.  
H. R. Douglas, Inc., New London, employer, and David A. H. Douglas, New London, employee. Mr. Douglas suffered a badly lacerated tip of the first finger of the left hand, on March 7. Compensation was awarded at \$7.41 weekly to begin March 18.  
Western Union Telegraph Co., New York, employer, and George E. Phelps, Uxbridge, Mass., employee. Mr. Phelps fractured his left wrist at Lyman's Viaduct on December 22, 1915. Compensation was awarded at \$7.50 weekly to begin January 2, 1916.

### EIGHTH ANNUAL MEETING OF LOYALTY CLASS.

First Baptist Society Re-elected Its Officers for Coming Year.

The Loyalty class of the First Baptist Society held its eighth annual meeting Monday evening for its eighth annual meeting. Twenty members were present.

Mrs. Frank Tuttle, the president, presided, calling the meeting to order at 8 o'clock. The regular reports were read and approved.

Mrs. George W. Rathbun, the secretary, gave an excellent report of the year's work of the class.

The finances as reported by the treasurer, Mrs. Minnie Amburn, were gratifying. The class, though meeting many calls for assistance during the year, has still a good balance in the treasury.

An interesting discussion was held in which many questions for the coming year were settled.

The annual election was a re-election of all officers except the president. Mrs. Frank Tuttle refusing the nomination.

The officers for the year are: President, Mrs. George Kammerer; vice president, Mrs. Frank Waters; secretary, Mrs. George W. Amburn; treasurer, Mrs. Minnie Amburn; Mrs. Herbert Willey was unanimously reappointed class teacher.

Following adjournment, sandwiches, cake, ice cream and coffee were served by the class officers: Mrs. Frank Tuttle, Mrs. Frank Waters, Mrs. George W. Rathbun, Mrs. Minnie Amburn and Mrs. Herbert Willey.

### HUNDREDS OF POSTCARDS FOR HOSPITAL PATIENTS

Home Chapter Had Busy Session at Johnson Home.

The perfect April day Monday called together 75 members of Home Chapter of the King's Daughters at the Johnson home on Town street in the afternoon. Reports were presented during the business meeting, one new member was admitted.

Trinity was read by Mrs. Mary Pierce and Mrs. J. Parker Gifford. It was voted to give five dollars for the work of the Salvation Army. Then a number of ladies sewed on a quilt, while others mounted hundreds of postcards to be sent to hospitals.

A fine lunch of sandwiches, cake and coffee was served by this committee: Mrs. Neville Elton, Mrs. Rebecca Corning, Mrs. Robert Cochran, Mrs. Edward Cook, Mrs. Denison Chapman, Mrs. Oscar Carpenter, Mrs. Alfred Davis, Mrs. Ernest Disque, Mrs. John Dawson, Mrs. Napoleon Duchette, Mrs. George E. Fellows, Mrs. William Friswell, Mrs. Frank A. Foster, and Mrs. Charles Fox.

### MISS HADIE BLACKSTONE

HAILE CLUB PRESIDENT.

Club May Send Delegates to Pittsfield Convention Next Month.

Miss Hadie Blackstone was elected president of the Haile club at the annual meeting held Monday evening in their rooms in the Chapman building. The reports read were of a promising nature.

The officers elected are as follows: President, Miss Hadie Blackstone; vice president, Miss Katherine D. Smith; secretary and treasurer, Miss Mary D. Sheridan.

The report of the executive board in part related to the convention of the National League of Women Workers to be held at Pittsfield, Mass., from May 21 to June 4, and was read by the retiring secretary, Miss Nellie E. Crowe. It is hoped several members will be able to attend. It was voted to hold a food sale in the near future.

### CARPENTERS' UNION GETS FOUR NEW MEMBERS.

Committee's Report on Agreements Satisfactory to Union.

Four new members were admitted and two applications were received at the regular meeting of the local carpenters' union, No. 137, held in Carpenters' hall on Monday evening.

President John J. Sweeney presided and there was a good attendance. The agreements reached by the committee proved very satisfactory to the union.

The laborers and masons have not yet returned to work on the Hopkins & Allen Arms company addition on Chestnut street, as the E. J. Cross company of Worcester, Mass., who have the contract, have refused to comply with the local conditions. They did not work on either Saturday or Monday.

### EPWORTH LEAGUE HELD MONTHLY SESSION

Taunton Speaker Will Address Young People in May.

The Epworth League of Trinity Methodist Episcopal church held its monthly business session and social in the Sunday school rooms Monday evening.

Various games were played during the evening and refreshments were served. It was announced that at the next monthly meeting, which will be held in the early part of May, Rev. G. E. Mossman of Taunton, Mass., will deliver a lecture on Culture and Recreation. He also will have charge of the social part of the evening's program. Miss Stella Purvis and Miss Mildred Mellor were in charge of the arrangements.

### FINDS A BROTHER AFTER FORTY YEARS.

New London Man Receives Information of Unusual Character.

Former Alderman Charles H. Thompson received a telephone message Saturday from his sister in Hartford containing information of unusual character. He was, to say the least, astonished to discover that his half-brother, who had not been heard from for more than 40 years, and who was supposed to be dead, was alive and well, and strange to relate, had lived for 22 years in the next street to Mr. Thompson's sister's home in the Capitol City. The relationship was discovered at a meeting at the Hartford club the day previous.

The long missing half-brother is Judson A. Thompson, formerly of Freedom, Me. He is the son of C. H. Thompson's father by his first marriage. The father was drowned at sea when C. H. was a baby. The half-brother was well along in his teens then and soon left home to make his way in the world. Mr. Thompson was too young to remember him at all, but his sister has a faint recollection of him. Judson A. Thompson is now 58 and a prosperous business man in Hartford.

He of course knew of his half-brother and sister, but had no more idea of their whereabouts than they of his. The strange meeting was brought forth other news of interesting character. By the death of a relative who died intestate some years ago, of whose whereabouts Mr. Thompson was appointed administrator, there is a small legacy coming to Charles H. Thompson and his sister. Mr. Thompson has the funds in charge and will distribute the legacies as soon as he receives an order from the probate court.

### THOMPSON AND THOMPSON.

Former Norwich Men, Members of The Bulletin Staff, in Big New York Amusement Enterprise.

Everard Thompson, well-remembered in Norwich as a former valued telegraph editor on The Bulletin staff, is president of a coterie of nation-known New York financiers and gentlemen sportsmen who have projected the biggest thing in outdoor events that the interest of the metropolis has ever been centered upon. They plan to literally turn New York over to the West from August 5 until August 12 of this year, with reunions, an exposition illustrating progress and advances since the first invasion of the wilderness west of the Mississippi river, and a monster world's championship competitive tournament in frontier sports, to be held at the great new Sheepshead Bay Speedway, location of the Astor Cup race, and designated as The Stampede.

### Publicity Agent Thompson.

Associated with Mr. Thompson in the big undertaking by a strange coincidence, is William C. Thompson, a former city editor of The Bulletin, who will have charge of all publicity. The active careers of both date from their service with this newspaper. Everard Thompson won subsequent fame in activities at Yale university, where he built the famous "howl." Since identifying himself with New York life, he has been prominently engaged in ventures with Harry S. Harkness, Standard Oil magnate.

W. C. Thompson resigned from The Bulletin to enter the employ of the New York Herald city. He was city editor of The Evening Telegram, afternoon edition of the Herald, during the last seven of his twelve years' service. Lately he was publicity representative for the New York Hippodrome and for the Barnum & Bailey circus.

### Magnificent Trophies.

The syndicate with which the Messrs. Thompson are associated has donated \$50,000 in gold, cups, medals and other trophies to be distributed as prizes in free-for-all contests in bucking horse riding, roping, steer bulldozing, wild horse and relay races, trick and fancy riding and the other score clean and fair sports and pastimes of the range-land. Australia, Canada, the Latin-American republics have been invited to officially compete in the arena with the sons and daughters of our own prairie west. More than two thousand participants are expected to enlist.

### To Cover 450 Acres.

The 450 acres which are included in the Speedway confines will be converted for the occasion into an open frontier town under the corporate name of "Boomtown." It will be faithful in every crude and picturesque detail to the trading-post period of the white man's coming to the west.

Every western state will be officially represented by exhibits. It is expected, and common councils, chambers of commerce, boards of trade, and historical societies from the Rio Grande to the Peace river have promised eager support and enthusiastic cooperation. Among the thousands of native westerners and their descendants in New York, the project has received instantaneous and grateful endorsement.

### NEW TREATMENT FOR SWOLLEN VEINS

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength) at any pharmacist and start to reduce the veins and bunched at once.

Physicians recommend Emerald Oil. It is used in hospital practice and a small bottle will last a long time, because it is very concentrated. Apply at night and morning with the soft brush as directed until the swelling is reduced to normal.

It is so marvelously powerful that swollen glands, and even goitre disappear when used steadily.

It can always be secured at Lee & Osogood's.

## CATARRH CAUSED BY A GERM

How To Destroy the Germ and End Disease.

To cure catarrh so it won't come back you must, according to a noted authority, first drive from your body the millions of germs that are flourishing in the inner recesses of your nose and throat and are causing the disease. There is a preparation which does this called Hyomel (pronounced High-me). Hyomel is a germ killing and purifying air forced from the purest oil of Eucalyptus combined with other healing and antiseptic ingredients. You breathe Hyomel through the mouth and nose by means of a little hard rubber inhaler which druggists furnish with it. This medicated germicidal air penetrates into every fold and crevice of the mucous membrane of your nose and throat, kills the catarrh germs that lodge there, reduces and heals the swollen inflamed membranes, stops the discharge and opens up the clogged nose and air passages in a truly wonderful way. Lee & Osogood and many other leading druggists in Norwich and vicinity sell Hyomel with the positive guarantee that it must cure catarrh or that the money paid for it will be refunded.

The railroads announce that they are planning to transport an influx greater than ever before in the history of long-distance movements.

### Not a Wild West Show.

"Let there be no impression that we are going to conduct a 'Wild West show' or anything of that familiar nature," Everard Thompson has explained. "We propose to give New York to the westerners for eight days, reproducing the real life of ranch, range, round-up and Indian camp in all its vivid and romantic picturesque sequence by actual living figures of the frontier whom time will soon exhaust. The jubilee, while new to New York, is patterned in mammoth measure after those in great, popular, local vogue in the cattle states of the west."

"It will be inaugurated by a cross-country race to test the endurance and speed of the range horse. Twenty-five cowboys, each allowed two mounts, will start for New York simultaneously at widely-separated points 1000 miles distant from this city."

"The winner will be handsomely rewarded."

### Guy Weadlick Manager.

Mr. Thompson and his associates have entrusted the management of all intimate details to Guy Weadlick, a young Westerner who enjoys the confidence, acquaintance and popularity of the entire rangeland west.

Executive officers have been opened at 1604 Broadway, where the hand of welcome will be continuously extended to all westerners, and, incidentally, to Norwich friends.

### BANKING FACILITIES FOR BRITISH TRADE WITH AMERICA

Subject of a Notice Issued by American Consulate in London.

London, April 10, 5:43 p. m.—The American consulate here has issued a notice calling attention to the facilities offered by American banks to British merchants trading with the United States and the increasing extent to which the import and export trade of the United States is being financed through commercial letters of credit opened with American banks.

The notice calls attention to the fact that the federal reserve act of 1914 empowers American banks to accept drafts based on import or export transactions, with the result that there is now a well developed discount market in the United States for this class of transactions. The consul general offers to furnish the names of banks which are prepared to do acceptance business, which will enable British business men to obtain facilities for financing shipments to and from the United States in the same manner that they have previously done through European banks.

### CONCLUSIONS ADOPTED BY PAN-AMERICAN CONGRESS

Includes One Connecting All Republics With International Railways.

Buenos Aires, April 10.—The Pan-American Congress, which has been discussing legislation bearing on trade and commerce, has adopted the following conclusions:

First, relative to the uniformity of regulations governing commercial

travelers; second, favoring the construction of a Pan-American railway connecting all the republics and with other international railways; third, prolongation of the union of telegraph companies of neighboring countries, reduction of tolls and advocating government ownership of the radio-graph stations.

The congress also adopted a motion moved by Secretary of the Treasury McAdoo, recommending the obligatory teaching of English, Spanish and Portuguese.

The Argentine delegate, Senor Aldal, declared that French was already taught in all the schools.

**Mystic Shrine Contribution.**  
Reno, Nev., April 10.—J. Putnam Stevens, imperial potentate of the Nobles of the Mystic Shrine, announced here today that he has ordered the sum of \$5,000 taken from the relief fund of

# Cadillac beating the Lark

An intensely interesting motion picture, reproducing the wonderful record run of the Eight-Cylinder Cadillac.

From Los Angeles to San Francisco, a distance of 493 miles, the Cadillac beat "The Lark," the fastest train between the two cities, by 1 hr. 35 min., although the route made it necessary for the car to travel twelve miles more than the train.

The time made by the Cadillac was 12 hrs. 10 min., which is the fastest a human being has ever traveled from one city to the other.

The race through California with its magnificent mountain scenery and sandy cactus plains is vividly portrayed.

See this splendid picture at the
